★STORY★

The girl who is very crazed by the most popular singer among high school girls (SHIN), Ahri Shina, met SHIN luckily one day, and successfully gave him her first time

She never suspected the SHIN could of been just a fake, after finding that out Ahri was in real shock!

It doesn't matter even if he is not the real person, just when she was thinking about that, she found out surprisingly that the SHIN was the real singer in person, so in the end, Ahri became the girlfriend of the super popular singer

Even though Ahri was feeling insecure because of how popular SHIN is, that does not stop her from being crazy about SHIN, wanting to be with him more and more. And so, she started chasing SHIN on his national tour concert, living her busy everyday life ♥

FREETALK

Hello everyone!

This is Get You volume 4. Volume 4 includes the selection that was in the magazine, it's very worth it (smile)!!

This selection was created when I was worrying over what to draw, and the idea of how it would be if Anri and Shin's places switched popped up in my head. So it was drawn out just like that!! It gives a different feeling compared to the main story. I hope everyone will enjoy it.

Please let me listen to the opinions and thought about it. I'll wait for you!

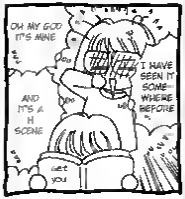
FREETALK

I often go to the bookstore but recently I saw something in the bookstore that made me want to scream "OH MY GOD!" When I was looking for a magazine that I wanted to read I spotted A high school girl reading the Get You manga. Ah she is so open about reading it



When it comes to that kind of embarrassment I can only smile forcefully.

Number two

It was the same when I was looking for a book, I heard a voice that sounded like a high school girl saying "Get You is on that book shelf with all the other single volumes!"

Right Right at that time I remembered that the new chapter was out (what a slacker)! So there were about 30 seconds of the this second picture's situation

SHOULD I TURN AROUND AND SAY THANK YOU?
Heart beat x 100
WILL THEY BUY IT?
AH, WILL THAT BE TOO AWKARD?
OR THEY ARE JUST TALKING FOR FUN?

When I turned around it was too bad, there there was nonne standing there anymore Even though I am happy to meet my readers. I was too nervous to do so (smile)!
